*Linking Individuals with  
Employment Opportunities*

## What We Do

Supported Employment Services at LifeSpring provides people with vocational opportunities to learn skills that will assist them in their search for employment.

Our goal is to help people obtain competitive employment in the community based on an employment plan designed specifically for the individual. LifeSpring staff work with each client providing the necessary support for individuals to accomplish their employment goals and objectives, and:

- Enables each person to reach their maximum potential;
- Utilizes community resources designed to assist in the process of employment and/or career development; and
- Develops community partnerships that are diverse and provide multiple opportunities for our clients.

**Skills training teaches clients time management and social & interpersonal skills, with an emphasis on community integration.**

## What We Can Offer Your Business

LifeSpring links area employers to qualified applicants. We pre-screen clients skills and abilities, and match them to meet your company's needs. This investment reduces your recruitment efforts and training costs.

Our staff are committed to working closely with your business to ensure a positive and professional relationship. All of this at no cost to you. We currently serve Clark, Floyd, Harrison, Jefferson, Scott and Washington Counties.
