8th Grade Essay Guidelines

LifeSpring Health Systems serves all individuals who need assistance with healthcare needs. We provide primary care services (check ups, vaccines, etc.), behavioral therapy, homeless prevention programs, assistance for those struggling with substance abuse, and more. LifeSpring is committed to helping our communities stay healthy.

To that end, write a minimum of 250 and a maximum of 500 words about this topic:

Describe the issues impacting the health of people your age.

Submit application and essay to:

LifeSpring Foundation of Indiana
460 Spring Street
Jeffersonville, IN 47130

Applications must be postmarked no later than April 3, 2020.

2020 8th Grade Essay Application

To be considered for a scholarship, applicants must be in LifeSpring Health System's service area of Clark, Crawford, Dubois, Floyd, Harrison, Jefferson, Orange, Perry, Scott, Spencer, and Washington Counties in Indiana. One \$100 award will be awarded to one 8th grader per county. The referring teacher of each winner will receive a \$25 check that can be used towards room supplies.
